

News Release

Traveling Workers

October 8, 2009 – Hobbs Police have responded to calls in the city due to a group of traveling workers who are doing yard work and trimming trees. These travelers are driving a white pickup pulling a large black trailer. They are requesting money up front for the work and then not completing the job.

Citizens are reminded they should NEVER pay someone upfront for services of any kind especially if they are not known.

Anyone who has been defrauded or comes in contact with these persons is urged to contact Hobbs Police at 575-397-9265.
